

Financial Analyst

Do you want to be part of an exciting mine expansion that is powering the global energy revolution?

Are you looking for a rewarding career that offers the opportunity to live and work in our picturesque south-west?

Talison Lithium, owner of the world's highest grade hard rock lithium resource, is recruiting now to meet production requirements as part of a \$500M + expansion project.

The Greenbushes Mine is a well-established mining and processing operation incorporating three open pits and two processing plants. As part of a plan to more than double production from Greenbushes, Talison Lithium is constructing a new state of the art processing facility (due to come on line in the second quarter of 2019) with plans in place for a further processing plant to come on line in 2020.

Reporting through to the Manager Administration, an opportunity exists for a suitably qualified Financial Analyst to join our energetic and multi-disciplined Administration team. As a key member of this group you will play a central role in the development of financial models.
