

## Infrastructure Mechanical Tradesperson Greenbushes Operations

Do you want to be part of an exciting mine expansion that is powering the global energy revolution?

Are you looking for a rewarding career that offers the opportunity to live and work in our picturesque south-west?

Talison Lithium, owner of the world's highest grade hard rock lithium resource, is recruiting now to meet production requirements as part of a \$500M + expansion project.

The Greenbushes Mine is a well-established mining and processing operation incorporating three open pits and two processing plants. As part of a plan to more than double production from Greenbushes, Talison Lithium is constructing a new state of the art processing facility (due to come on line in the second quarter of 2019) with plans in place for a further processing plant to come on line in 2020.

A leading global producer of lithium mineral concentrates for the past three decades Talison lithium is seeking a self-motivated, hands on Mechanical Tradesperson, with a strong safety focus to join our expanding infrastructure maintenance team on a 4 x 4 roster. This position reports to the Infrastructure Supervisor.

### Applicant Criteria:

- Trade Certificate with minimum 3 years post trade experience;
- Current driver's licence; MR or better preferred;
- Current Forklift and EWP High Risk Licence;
- Experience in maintaining mobile and auxiliary equipment;
- Experience in fixed plant pumping and piping systems;
- Water treatment plant experience preferred;
- Commitment to a team-based culture;
- Ability to solve problems and use initiative; and
- Demonstrated commitment to safety.

For further information, phone (08) 9782 5700.

### How to Apply

Please forward your application to [jobs@talisonlithium.com](mailto:jobs@talisonlithium.com) including a covering letter, CV, copies of any qualifications and referees.

This is a residential position on a 4 day on, 4 day off roster working a nominal 12-hour day. You are required to live within 30 minutes of the Greenbushes mine site. A competitive salary and other benefits will be negotiated with the successful applicant.

Applications close 22 March 2019
