

Infrastructure Supervisor Greenbushes Operations

Do you want to be part of an exciting mine expansion that is powering the global energy revolution?

Are you looking for a rewarding career that offers the opportunity to live and work in our picturesque south-west?

Talison Lithium, owner of the world's highest grade hard rock lithium resource, is recruiting now to meet production requirements as part of a \$500M + expansion project.

The Greenbushes Mine is a well-established mining and processing operation incorporating three open pits and two processing plants. As part of a plan to more than double production from Greenbushes, Talison Lithium is constructing a new state of the art processing facility (due to come on line in the second quarter of 2019) with plans in place for a further processing plant to come on line in 2020.

A leading global producer of lithium mineral concentrates for the past three decades Talison lithium is seeking a self-motivated, hands on Infrastructure Supervisor, with a strong safety focus to join our expanding infrastructure maintenance team. This position reports to the Infrastructure Maintenance Coordinator.

Applicant Criteria:

- Minimum mechanical trade qualification;
- Minimum 5 years post trade experience;
- Supervision Training
- Ability to solve problems and use initiative;
- Demonstrated commitment to safety;
- Experience in Job Safety Analysis and Toolbox meetings;
- Understanding of maintenance management and stores systems;
- Experience in CCMS and Microsoft Excel;
- Ability to prioritise, delegate tasks and manage small teams;
- Implement, manage and refine site procedures to ensure compliance; and
- Willingness and ability to operate hands-on.

To be considered you must have a demonstrated commitment to safety, and the ability to contribute to a team-based culture, solve problems and use initiative.

For further information, phone (08) 9782 5700.

How to Apply

Please forward your application to jobs@talisonlithium.com including a covering letter, CV, copies of any qualifications and referees.

This is a residential position on an 8 day on, 6 day off roster working a nominal 9.5-hour day. You are required to live within 60 minutes of the Greenbushes mine site. A competitive salary and other benefits will be negotiated with the successful applicant.

Applications close 22 March 2019
