

## **RADIATION OFFICER Greenbushes Operations**

**Do you want to be part of an exciting mine expansion that is powering the global energy revolution?**

**Are you looking for a rewarding career that offers the opportunity to live and work in our picturesque south-west?**

**Talison Lithium, owner of the world's highest-grade hard rock lithium resource, is recruiting now to meet production requirements as part of a \$500M + expansion project.**

**The Greenbushes Mine is a well-established mining and processing operation incorporating three open pits and two processing plants. As part of a plan to more than double production from Greenbushes, Talison Lithium is constructing a new state of the art processing facility (due to come on line in the second quarter of 2019) with plans in place for a further processing plant to come on line in 2020.**

Reporting to the Processing Superintendent an opportunity exists for an experienced Radiation Officer at the Greenbushes mine site to join the processing team.

### **Responsibilities**

- Develop and maintain the radiation management plan
- Maintain all processing radiation records and generate regulatory reports
- Perform radiation monitoring in the field
- Complete training of site personnel regarding radiation awareness
- Conduct regular workplace inspections to ensure hazard controls are implemented and effective
- Identify and implement improvements to the radiation management system

### **Essential Criteria**

- Understanding of the WA radiation control legislation and relevant codes of practice or demonstrated ability to quickly acquire this knowledge
- Radioactive substances licence
- Experience in mining and processing applications, particularly with the management of radiation gauges
- Strong computer skills including use of MS office
- Excellent verbal and written communication skills
- High level of self-motivation and a strong work ethic
- Relevant tertiary qualification will be highly regarded

### **How to Apply**

Please forward your application to [jobs@talisonlithium.com](mailto:jobs@talisonlithium.com) including a covering letter, CV, copies of any qualifications and referees.

For further information, please phone the Processing Superintendent on (08) 9782 5700.

This is a residential position on a Monday to Friday roster. You are required to relocate and live within 1 hours' travelling distance of the Greenbushes mine site. A competitive salary and other benefits will be negotiated with the successful applicant.

Applications close 15<sup>th</sup> January 2018
