

TRAINEE MINE SURVEYOR Greenbushes Operations

Talisson Lithium, owner of the world's highest-grade hard rock lithium resource, is recruiting now to meet production requirements as part of a \$500M + expansion project.

The Greenbushes Mine is a well-established mining and processing operation incorporating three open pits and two processing plants. As part of a plan to more than double production from Greenbushes, Talison Lithium is constructing a new state of the art processing facility (due to come on line in the second quarter of 2019) with plans in place for a further processing plant to come on line in 2020.

Reporting to the Senior Mine Surveyor an opportunity exists for a Trainee Surveyor at the Greenbushes mine site. You will assist with carrying out survey and general mining activities.

The Traineeship is a three-year program and at the conclusion of this time the applicant is expected to have completed a recognised qualification (CPP50116 Diploma of Surveying) as well as being able to demonstrate knowledge in the chosen field.

Applicants with a Certificate IV in Surveying are strongly encouraged to apply.

Responsibilities

- General mine surveys;
- Blast pattern set-out and pickup;
- Stockpile surveys and volume calculations;
- Using specialized software and equipment including GPS, Scanners and Drones;
- Prism Monitoring; and
- Grade control mark-ups.

Essential Criteria

- Completion of Year 12;
- Commitment to safety;
- Ability to work within a team environment;
- Excellent communication and problem-solving skills;
- Ability to follow set procedures to achieve quality outcomes; and
- Motivation and commitment to completing a Trainee Certificate.

A WA manual drivers licence is required.

For further information, phone (08) 9782 5700.

How to Apply

Please forward your application to jobs@talisonlithium.com including a covering letter, CV, copies of any qualifications and referees.

This is a residential position on an 8 day on, 6 day off roster working a nominal 10-hour day. You are required to reside within 1 hours travelling distance of the Greenbushes mine site. A competitive salary and other benefits will be negotiated with the successful applicant.

Applications close 14 December 2018
